

Koto-info

- Orientation services and advice for immigrants in Nurmijärvi

You may ask for advice on e.g. living in Finland, registration, residence permits, housing, employment services and the services in the area of Nurmijärvi.

In addition to Finnish, Koto-info gives orientation and advice to clients in English and Swedish.

Our service advisor helps clients to understand official decisions and directs clients to the correct officials or public services. We have a broad selection of brochures as well as information on a variety of topics.
